Mike Wickham returns as our guest artist in the Steffan Gallery this month. Mike's mom Fran was a Manor resident, and Mike has maintained a friendship with Garnett Garland, who now lives in the Court. Mike takes photographs and prints them on canvas so that they look like paintings. He has been doing this for about 12 years, and his favorite subjects are nature and local points of interest. You are sure to enjoy his work in the gallery, so spend some time checking it out!
